Jack A. Meyer is a principal with Health Management Associates (HMA) in HMA's Washington, D.C. office. In this capacity, Dr. Meyer is conducting health care research, policy analysis, and strategic planning for grant-making foundations, health industry leaders, and state and federal agencies. Dr. Meyer is also an Adjunct Professor in the School of Public Policy at the University of Maryland.

General areas of recent and current work include:

- ◆ evaluation of new models to reduce the number of uninsured nationwide
- ◆ benefit/cost analysis of enrolling more lower-income people with Hepatitis B and C in Medicaid
- ◆ comparative analysis of major policy alternatives to cover the uninsured in California, Connecticut, Maryland, and Delaware
- ◆ analysis of the ingredients of hospital quality improvement and patient safety
- ◆ assessments of states' programs to support employer-sponsored health coverage for lower-income workers

Dr. Meyer's recent publications include *Covering America: Real Remedies for the Uninsured.* prepared for the Robert Wood Johnson Foundation; *"Mapping Health Spending and Insurance Coverage in Ohio,"* prepared for the Health Policy Institute of Ohio, *Mapping Health Spending and Insurance Coverage in Connecticut,* prepared for the Universal Health Care Foundation of Connecticut; *Hospital Quality: Ingredients for Success,* prepared under a grant from the Commonwealth Fund; and "Building on the Job-Based Health Care System: What Would It Take?" *Health Affairs.*
